Subject: Good character in sentencing
Date: Thursday, 4 July 2024 6:05:28 PM

Hi,

In reviewing section 21A(5A) of the *Crimes (Sentencing Procedure) Act 1999* (NSW), and other relevant sections, and the common law relating to the use of “good character” in sentencing, please make it your duty to **remove** the good character reference for the sake of victim-survivors.

This is crucial and should be done yesterday.

Thank you,
Victim-survivor.
